

Lister's Office

2007

The Listers continue to update assessments, review permits, and do inspections annually.

We are working with Cartographics Associates, Inc. of Littleton, N.H. to keep our tax maps current.

The state requires that a town assessment be 80% or above of the equalized Grand List. If a town is less than 80% a re-appraisal is required by law.

The town of Lyndon has a CLA (Common Level of Appraisal) of 85.70%. The Listers will be reviewing, what is the most cost effective way to meet the state requirement at the least possible cost.

The office is generally open Monday through Friday from 9 am to 3 pm. Please call if you have any questions for us.
