Notes of Interest from the Town Clerk's Office

LAND RECORDS-There were 1074 documents recorded totalling 2856 pages. This filled almost five land record volumes. 2014 saw its first sizeable decrease in the recording of land records since 2007, when only 1255 documents were recorded.

DOGS-584 dogs were licensed on time (April 1). As a result of letters sent to all residents who had previously licensed their dog(s), an additional 419 dogs were licensed for a total of 1003 licensed dogs. This is a decrease of 126 dogs from 2013. Not only is licensing your dog the law, but a licensed dog stands a much better chance of being returned to its owner should the dog wander off.
