Nick Rivers

Meeting convened at the WWTF at 4:00 PM.

### 1. Tour of Wastewater Facility

Bill Dawson of Leach Engineering and Phil Laramie of Utility Partners led a tour of the new facilities at the wastewater plant.

### 2. Approval of Minutes

David moved to approve the minutes of October 22, 2012. Marty 2nded. Approved 3-0.

### 3. Approval and Signing of Orders

The Board approved and signed orders for weeks 42-43.

### 4. 2013 Trash Hauling Bid Results

After discussion, David made the motion to award the trash hauling contract to Casella Waste Management for 2013 with a Town option for 2014 at the same price and that trash pickups will be done between the hours of 1:00 AM and 7:00 AM Monday thru Friday. Marty 2nded. Approved 3-0.

### 5. Garage Feasibility Study Update

Dan advised that Black River Design has visited both sites, the existing garages and interviewed both Rob Nutting and Dan Thompson. Dan will be visiting Black

River on Friday to get a further update and to schedule a presentation at a Selectboard meeting.

6. Other

Dan told the Board that he had held an initial discussion with Dan LeCour about 2013 recycling. LeCour has done an excellent job with the recycling and has increased customers from about 215 to almost 300 over the last year. Marty moved to have Dan negotiate a contract with LeCour for 2013. Kermit 2nded. Approved 3-0.
