5. **Other Business:**  
As discussed at prior meetings, both Kermit Fisher and Martha Feltus attended the informational meeting on the 18<sup>th</sup> regarding the high deductible health plan and health savings account. As an incentive to employees to switch to the high deductible health plan, the Board intends to fund 50% of the annual deductible into the employee's health savings account. This amount will be deposited into the employee's health savings account in January of the first year, in January and July in the second year, and quarterly thereafter. If the employee leaves before July 1<sup>st</sup> in the first year of participation, a pro rata share of the amount must be returned to the Town. During the first year of participation, the Town will offer a bonus equal to 25% of the annual deductible. This bonus will be paid in July and will be made as a pre-tax contribution to the employee's health savings account. (See attached for Section 125 Plan Amendment).

Meeting adjourned at 10:00 PM.
