

Planning Commission Minutes May 11, 2016

Commission Attendees: Susan Mills, Jack Berube, Oralie Lefavre, Patrick McLaughlin

Public Official: Kaela Gray

Public: None

Sue Mills called the meeting to order at 6:55 PM.

VTRANS Bike & Pedestrian Grant opportunity was discussed. The Local Motion Walk & Bike Safety Action Plan and associated designs will lend toward a good project that already has community support and some basic planning. Kaela Gray will look into the possibility of applying for a Design/ Build grant instead of a Scoping Study based on the work that has already occurred, and the relatively simple nature of the project. The planning commission discussed the connection between the village and the college, to include added safety measures at the intersection of College Road and Center Street as the best project to move forward on at this time.

Combined changes to the Zoning Bylaws were reviewed as previously voted.

The next meeting of the Planning Commission will be held on May 25, 2016 at 6:30 PM. Sacha Pealer, CFM from the State will attend the meeting on June 8th to discuss river corridor mapping.

A motion to adjourn was made by Jack Berube, seconded by Oralie Lefavre and passed 4-0 at 7:55PM.
